

### Coburn Trophy

Welwyn 3<sup>rd</sup> June 2017. Judges: Paul & Kate Flavell.

**Judges general comments:** Quite a task judging 9 teams = 2016 changes to assess, over 16,000 strikes to mark. Compliments to inexperienced bands for entering. Speed of ringing wasn't important. Marked severely! Some oddstruckness needed to be dealt with. Faults converted to percentage.

Place	Team	Method	%	Peal speed	Comments
1	Northern "Poles"	Yorkshire	86	2:49	Good use of rounds. Faults caused by method mistake. Slight clips. Nice confident ringing.
2	Eastern 1	Grandsire	78	2:46	Brisk, some rushed leads. Some hesitations. Improved. Nice piece of ringing.
3	Western "Deputy Dawgs"	Erin	77	2:54	Good use of rounds. Method mistake spoiled it. Only rang 218 changes (min 224 required) so 6 rows of 2 faults awarded, cost them a place.
4	Western "Chiefs"	Grandsire	75	2:48	Rang enough rounds. Faults from some unevenness. Some bells pushed, occasional hesitations, Very nice.
5	St Albans	Stedman	70	2:54	Excellent start. Sometimes too quick leads. Some hesitations. 1 method mistake
6	Bishop's Stortford 2	Grandsire	68	2:51	Uneven start. Some pushing. Method mistakes with slow recovery cost faults.
7	Northern Lights	Plain Bob 7	67	2:45	Very quickly into changes, needed more rounds. Lumpy start, but improved. Never settled to good rhythm.
8	Bishop's Stortford 1	Plain Bob 7	51	3:02	Shaky start. Some bells dragging, couldn't ring together at same speed.
